Mr. Gibbons,

I am happy to talk more about serving on the Commission, pending the next Mayor's direction. Just let me know what the next steps are. Thanks!

Sandy

We will loop you in to the planning of it !

Also, I was quite serious about wanting to discuss with you membership on the Crime Commission board. Protocol being what it is, I would need to run it by the next county mayor, but, if you are willing to serve, it makes a lot of sense to me.

The summit is an awesome idea! Please let me know how we can help.

I will update the group today and keep you on our list for future meetings.

Thanks!

Hi Sandy,

I cannot attend this meeting today due to a conflict, but can you keep me in the loop? I d like to participate, especially given my work with DV in the county. Just FYI (and to share with the group), the PSI is hoping to put together a service provider summit in the near future (specifically for providers of DV services in the area), but given the intersection between sexual violence and DV, we would likely welcome all types of providers. We think there may be a disconnect among providers in terms of knowing about each other and what each other does to help victims. More to come. I just want that to be on everyone s radar.

Thanks!

Good morning all,

The results of our availability poll are in we will meet on *Tuesday, July 24th from 1-2:30pm at the Aging Commission Conference Room, which is on the 16th floor of the Lipscomb Pitts Office Building (2670 Union Ave Extended, Memphis, TN 38112).*

Representatives from Southwest, UoM, Rhodes, and CBU have responded thus far, but we would like to be as inclusive as possible for this inaugural meeting, so please feel free to pass along this information to anyone else you think may be interested.

If you have a few minutes prior to this meeting, please respond and let me know the following:

What is the purpose of this group? What are we focusing on both prevention and intervention/response services? Title IX incidents only (DV/SA/Stalking/Harassment)? Or all crime?
What are some of the goals you would like to see this group achieve? Please list both short-term goals and long-term goals.
Who should comprise the membership of the Consortium? Just college folks, or do we want law enforcement, prosecutors, other system and community players?
What would a successful first meeting look like to you?
What would the group's success look like after 1 year?

I will compile these answers and create an outline for our discussion on July 24th.

See you all then!
Sandy

Good morning,

After our successful Sexual Assault Awareness Month event at LeMoyne Owen College in April, many of you suggested pulling together a group of college and university staff who work on interpersonal violence issues to discuss ways we can better collaborate and learn from one another in the Memphis and Shelby County area.

I would like to convene this group in July to start building this consortium and hearing from each of you what you would like to achieve in such a group.

Please complete this Doodle poll to let us know the best day and time to schedule our inaugural meeting (location

TBD once we determine the size of the group):

Please also feel free to forward the Doodle Poll to colleagues and to let me know what ideas or thoughts you have about the group ahead of time.

Thank you all,
Sandy
